BRIEF ABSTRACT OF LETTER.

States that Pass Books have to be opened and maintained in respect of 7 institutions under his direct control and that monthly abstracts read from the Pass Books have to be consolidated & sent to the Comptr. etc., that all this addl. work cannot be done by the existing establishment of his office; and solicits sanction therefor for the entertainment of two temporary accountants in place of Thot officials have been deputed to work under the Comptr; and that the services of these temporary accountants rejoin Duty in his office —

NOTES AND ORDERS.

NOTES—First Sheet.

The necessity for the establishment of two temporary accountants in the Mun: comr's office has been fully explained by the Mun: comr. The pay proposed to be given to them is not stated. As they are proposed to be established in place of those deputed to work in the comptr's office, it may, perhaps, be presumed that the temp: accountants should be on the same pay. The charge is proposed to be debited to the Mun: Restabt. Fund.

2 As regards the addl. hands required for this and other works in the Dist of Taluk offices (mentd in para 5 of the M.C's letter), he solicits early orders on his proposals subd in his letter no. C. 664 of 22-23 31-4-24 re formation of the Mun: Restabt. Fund.

3 So, the point requiring immediate orders is the establishment of 2 temporary accountants for the Mun: comr's office

No. 864

Office of the Muzrai Commissioner in Mysore.

Dated Bangalore, 8th September 1925.

From

C. S. Balasundaram Iyer, Esq., B.A.,

Muzrai Commissioner in Mysore,

Bangalore.

To

B. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

Adverting to Government Pro.No.972-73/M.F.I-24-5 dated 7th January 1925 passing orders on the introduction of the Pass Book system in respect of Muzrai Institutions in the state, I have the honor to state that necessary subsidiary instructions have been issued by the Comptroller to Government with my concurrance and that the Pass Books and forms have been printed in the Government Press and ~~will be~~ supplied to the several offices recently. Pending the supply of printed books, the Amildars had previously been instructed to open manuscript books with effect from 1st July 1925 which instructions seem to have been closely followed. The entries in the manuscript books will now be transferred to the printed books.

2. The introduction of the Pass Book system throws much additional work on the establishment of the offices of the Muzrai Commissioner, the Deputy Commissioners and the Amildars. In the former office not only Pass Books in respect of Institutions under the direct control of the Muzrai Commissioner. (vide margin.) have to be opened and maintained but according to Rules VII, XII and XIII the monthly abstracts received from the Taluks will have to be consolidated and sent to the Comptroller and after verifi-

verification by him, extracts from the consolidated abstract will - have to be sent to the Deputy Commissioners for note and information. This is an important work and if the slightest relaxation of the rules is allowed the whole scheme becomes unworkable and payments in --- moffussil treasuries will be denied as per detailed Instructions --- already issued by the Comptroller to Government.

3. The account section of the office consists of

one Head Accountant		57-4-77
one Deputy	"	35-3-50
& two Junior	"	30-1-35 each

Ever since Mr. M. Mrityunjaya Iyer's special work commenced in July 1921 the services of two or more accountants are not at all available for this office and no substitutes have been entertained. The Head Accountant and the Deputy Accountant are now working in the --- Comptroller's Office in connection with the compilation of the ---- accounts of 4 years subsequent to 1920-21. The period of their - deputation extends up to the end of October 1925 and allowing two - months grace time to wind up their business finally it may be safely concluded that they will join duty in January 1926. Of the two Junior accountants one has been put in charge of the records as the Record-keeper's place on Rs.30-1-35 was abolished as a measurement of ----- retrenchment when the late Muzrai Superintendent's office and the -- Muzrai Secretariat were amalgamated in January 1922. The only other available accountant is in charge of office accounts, preparation of bills etc., which require the services of a full-time man. There has been a perceptible increase in the volume of work in the other - sections of the office and it is with considerable difficulty that the current work is got through. So none of the other officials can be spared for the Pass Book work.

4. In these circumstances I beg to solicit sanction of Government for the entertainment of two temporary accountants in place of those who have been deputed to work under the Comptroller. The services of these temporary men will be dispensed with as soon as the ----- accountants rejoin duty in this office. The charge may be ordered to be debited to the same head from which the pay of the accountants

and

and others is now met.

5. As regards Taluk and Deputy Commissioner's offices, I submit that muzrai work has considerably increased since Mr. Aravamudu Iyengar's reorganization scheme of 1917 was brought into force and that there has been an incessant demand for employing ---- separate hands for Muzrai work. With the introduction of the Pass Book system the work will be heavier than what it was ---- before, I therefore solicit the favour of very early orders on the proposals submitted with this office letter C.No.664 of 22-23 --- dated 1st April 1924.

I have the honor to be,

S i r,

Your most obedient servant,

O. Balasubramaniam

Muzrai Commissioner.
